## WAR PIE CONSERVATION

Every home and every army agrees that man must have a balanced meal, with a good dessert, either at home or in army rations.

That doesn't mean that you shouldn't economize in desserts these days.

You should and you can.

NONE SUCH Mince Pie is a very real dessert—none better. And a NONE SUCH package of Mince Meat works out the economy of pies, cakes, puddings, and cookies.

NONE SUCH is economical, because its condensed form and paraffin-lined package prevent waste.

It costs only a few cents and is cheaper than bulk mince meat bought by the pound.

NONE SUCH MINCE MEAT is made from the very best ingredients. Just what you would use if you were making it yourself, and it comes to you cheaper than you could make it yourself.

A package of NONE SUCH Mince Meat becomes three times the package weight when the moisture in making is added.

Bake a NONE SUCH War Pie—a regular Mince Pie with no top crust. That saves flour, shortening, labor, and expense. A NONE SUCH War Pie saves and conserves, as we are asked to do by the U. S. Food Administration.
